**Badge Workshops** are a great way for your troop to work as a team while earning credit towards a badge! Please note that not all requirements are met during the workshop due to time constraints.

One pack leader will be admitted free per pack (of 10 or more girls). Cost includes supplies and admission to the museum exhibits. No tagalong siblings in workshops, please.

**Camp-Ins** Ever wanted to spend the night sleeping under Fermata, our life-sized Right Whale? Now's your chance! Camps-ins include a planetarium show, science or animal show, free time in museum exhibits, a late night snack, and a movie! One chaperone is required for every 10 scouts. There is a minimum number requirement of 50 people total (maximum 100). MOSH may cancel a camp-in if minimum requirement is not met.

*Please note: **Registration and payment are required two weeks in advance for all camp-ins and workshops.** Refunds will only be given for cancellations made two weeks before scheduled event date.*

*In the event that the minimum required numbers are not met and the event is cancelled, full refunds will be given.*
