ABOUT MUSEUM BY MOONLIGHT

Museum by Moonlight is an annual event during which as many as 500 guests meet at MOSH for a night of elevated fundraising complete with mixed drinks, music, aperitifs, and immersive community building and networking experiences.

All funds raised empower MOSH to continue expanding its outreach; maintaining its permanent collections; funding its core and traveling exhibitions; nurturing its rescued animals; and providing world-class, STEAM-based educational opportunities through discovery camps and other immersive and interactive events and programs.

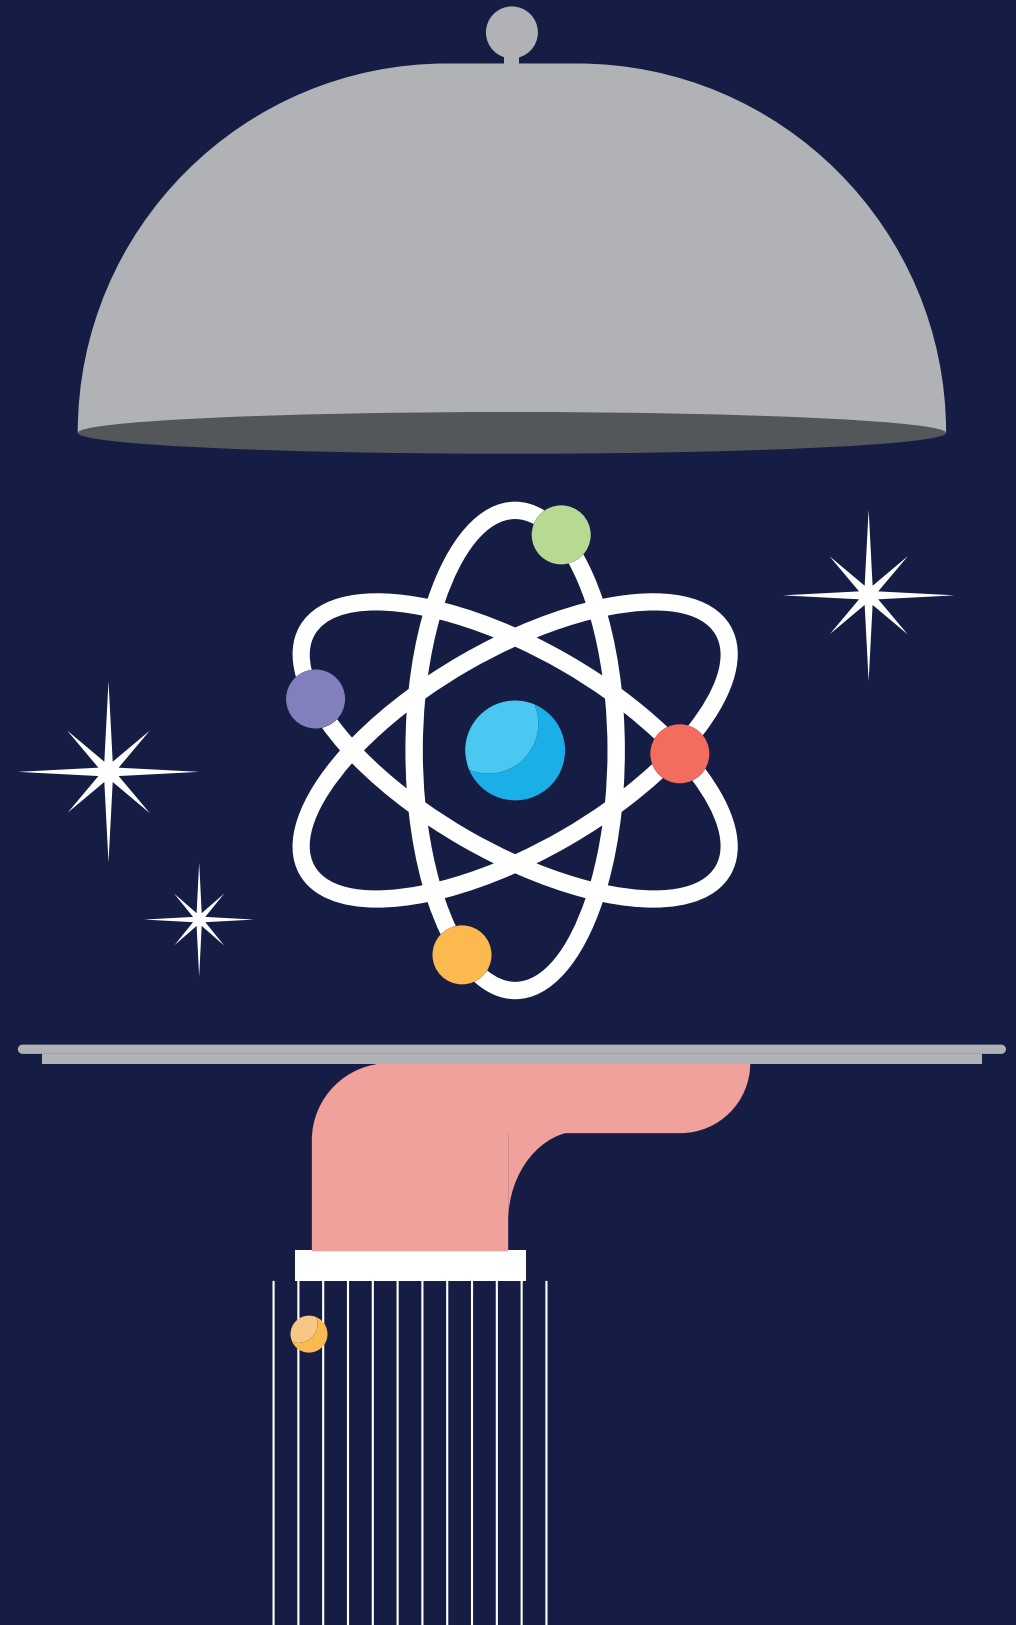

With animation-based activations throughout the Museum, this year's Museum by Moonlight theme celebrates MOSH's newest traveling exhibition, *Animation Academy*.
